01 | ABOUT THIS REPORT

This Annual Report documents the achievements, partnerships, and social impact created by Progress Path Foundation during the financial year 2025–26. It reflects our unwavering commitment to transparency, accountability, and the delivery of sustainable, quality-driven skill development initiatives that transform lives across India.

The report is intended for donors, corporate CSR partners, government bodies, development agencies, foundations, and board members who are partners in our mission to build a future-ready, inclusive workforce.

02 | MESSAGE FROM THE DIRECTOR

Dear Partners, Supporters and Valued Stakeholders,

It gives me immense pleasure to present the Annual Report of Progress Path Foundation for FY 2025–26. Skill development, at its core, is not merely about technical competencies — it is about creating opportunities, strengthening livelihoods, and enabling individuals to build a future of dignity and self-reliance. Guided by this conviction, we have continued to bridge the gap between industry requirements and workforce aspirations through quality-driven, outcome-oriented interventions.

During the year, we had the privilege of collaborating with leading institutions, corporate partners, and government initiatives to deliver impactful programmes across diverse sectors — from empowering women through apparel and livelihood training to enhancing employability through digital skills, soft skills, and technical certifications. Every effort remained firmly focused on creating sustainable pathways to employment and economic

independence.

Quality has remained non-negotiable. We are committed to delivering industry-aligned training, practical learning experiences, and robust support systems that ensure meaningful outcomes for every beneficiary. Beyond numbers, our true measure of success lies in the confidence, resilience, and transformed aspirations of the thousands of individuals our programmes have touched.

We are deeply grateful to our CSR partners, industry bodies, government agencies, communities, and dedicated team members whose trust and collective action have enabled us to expand our reach and deepen our impact.

As we look ahead, we remain committed to strengthening our capabilities, embracing innovation, and expanding opportunities for youth and women across India. We aspire to build a skilled, employable, and future-ready workforce — one that contributes to inclusive growth and national development.

Mr. Virender

Director, Progress Path Foundation

03 | ABOUT PROGRESS PATH FOUNDATION

Established in 2024, Progress Path Foundation is a social impact organisation committed to advancing skill development, vocational education, employability, and livelihood promotion across India. Through strategic industry partnerships, government programmes, and community-centric interventions, the Foundation strives to bridge the critical gap between workforce capabilities and industry requirements.

We operate on a foundational belief: skills are instruments of dignity, self-reliance, and social transformation. Every programme we design, every partnership we forge, and every life we touch is guided by this principle.

04 | VISION, MISSION & VALUES

OUR VISION

To create a future where every individual has access to quality skills, meaningful employment, and opportunities for lifelong growth.

OUR MISSION

To improve business productivity and youth employability by delivering industry-aligned skill development programmes that empower individuals, strengthen communities, and contribute to inclusive economic development.

OUR VALUES

- Excellence: Delivering the highest standards in training, partnerships, and outcomes.
- Innovation: Continuously improving our approach through technology and best practices.
- Collaboration: Building meaningful partnerships with industry, government, and civil society.
- Adaptability: Responding to evolving workforce needs with agility and foresight.
- Social Responsibility: Committed to equitable, inclusive, and sustainable development.

05 | OUR APPROACH — THE 5-STEP MODEL

Progress Path Foundation follows a structured, end-to-end model that ensures every beneficiary moves from identification to sustainable empowerment:

01 IDENTIFY — Understanding individual aspirations and mapping emerging skill gaps across target communities.

02 TRAIN — Delivering practical, industry-aligned, and experiential learning programmes at scale.

03 CERTIFY — Facilitating rigorous assessments and nationally recognised certifications.

04 EMPLOY — Providing active placement support and connecting beneficiaries to livelihood opportunities.

05 EMPOWER — Enabling long-term sustainable growth, social mobility, and entrepreneurship.

06 | FY 2025–26 AT A GLANCE

FY 2025–26 was a year of significant momentum. Through strategic partnerships with corporates, government institutions, and development organisations, Progress Path Foundation expanded its footprint across Haryana, Uttarakhand, Delhi NCR, and Gujarat — empowering thousands with skills, certifications, and livelihood pathways.

4,072+ Individuals Trained & Reached	820+ Women Empowered	392 Electricians Trained
60 Environmental Action Participants	130 Kg Waste Collected – Plogging Drive	4 States Haryana · Uttarakhand · Delhi NCR · Gujarat

07 | PROGRAMME HIGHLIGHTS

Each programme is designed with precision — aligned to industry standards, national skilling frameworks, and the aspirations of the communities we serve. Below are the key initiatives implemented in FY 2025–26.

Samarth Scheme — Ministry of Textiles

Enhancing Livelihood Opportunities for Women in the Textile Sector | Haryana (Rohtak & Panipat)

- 460 women trained as Sewing Machine Operators in partnership with Jaina Woolen Mills, Panipat
- Industry-oriented, practical learning methodology with classroom and hands-on production exposure
- Industrial visits organised to manufacturing facilities for real-world process understanding
- Workplace readiness modules covering productivity, quality standards, and career pathways
- Placement and livelihood support extended to all successful trainees
- Entrepreneurship promoted — several trainees established their own tailoring units and boutiques

IMPACT: The programme significantly enhanced women's economic participation and self-reliance. Trainees secured employment in the textile industry while others launched micro-enterprises, creating sustainable income streams for their families and communities.

Mahindra & Mahindra CSR Programme

Strengthening Employability Through Digital & Service Sector Skills | Rudrapur, Uttarakhand

- 360 women trained at Prerna Skill Development Centre in partnership with Centum Foundation
- Job roles: Data Entry Operator cum Inventory Clerk and Customer Care Executive
- Curriculum encompassed digital literacy, communication skills, and workplace readiness
- Personality development, confidence-building, and career guidance integrated into training
- Certification and structured placement support provided to all participants

IMPACT: The initiative significantly improved participants' employability, workplace confidence, and digital competency. Certification and placement mechanisms facilitated direct access to livelihood opportunities.

Programme Gallery

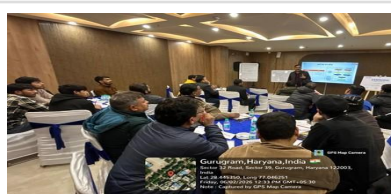

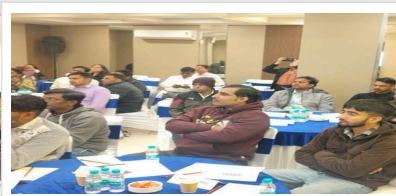

Crompton CSR Initiative — Recognition of Prior Learning (RPL)

Formalising Skills and Upgrading Competencies of Electricians | Delhi NCR & Gujarat

- 392 electricians trained and certified as an ESSCI-authorised training partner
- Two-day structured intervention covering safety practices, quality standards, and emerging technologies
- Soft skills modules: communication, customer interaction, and professional conduct
- Targeted at informal sector workers to formalise existing competencies via RPL

IMPACT: Certified participants gained improved professional credibility and enhanced opportunities for better employment and income generation in the formal electrical workforce.

Programme Gallery

IT Literacy & Soft Skills Programme

Building Future-Ready Youth | Multiple Locations

- 2,800+ candidates trained in partnership with Medhavi Foundation
- Focus areas: computer fundamentals, email communication, digital tools, and soft skills
- Interactive, practical, and experiential training methodology adopted
- Strengthened communication, problem-solving, and professional etiquette competencies

IMPACT: Young individuals became significantly better prepared for employment and higher education. The initiative built a more digitally literate, adaptable, and workforce-ready generation.

Tenneco Plogging Drive — Gurugram

Promoting Environmental Responsibility Through Collective Action | 10 February 2026

- 60 participants engaged in collaboration with Employ India Foundation and Tenneco
- ~130 kilograms of waste collected from public spaces and parks in Gurugram
- Awareness campaigns on responsible waste management conducted alongside the drive
- Waste responsibly disposed through designated municipal mechanisms

IMPACT: The drive fostered civic responsibility, community pride, and environmentally conscious behaviour among participants while strengthening stakeholder engagement and voluntary action.

08 | IMPACT & REACH

- Improved employability and income levels among trained youth and women
- Enhanced livelihoods and economic independence for women from underserved communities
- Increased industry-readiness through nationally recognised certifications
- Promotion of entrepreneurship and self-employment among trainees
- Strengthened community participation in environmental and social initiatives
- Creation of sustainable livelihood pathways across four Indian states

09 | SECTORS OF INTERVENTION

◆ Electronics & Manufacturing	◆ Electrical Trades	◆ Textile & Apparel
◆ Retail	◆ Telecom	◆ Employability Skills
◆ IT Literacy & Digital Skills	◆ Women Empowerment	◆ Entrepreneurship Development
◆ Community Development		

10 | QUALITY & EXCELLENCE FRAMEWORK

Quality and accountability are not aspirations at Progress Path Foundation — they are operational standards embedded in every programme we deliver.

- ✓ **Competency-Based Learning:** Structured curricula aligned to National Skill Qualification Framework (NSQF) standards.
- ✓ **Industry-Aligned Curriculum:** Training designed in collaboration with industry to reflect current market demands.
- ✓ **Experiential Learning:** Practical exercises, industrial visits, and role-play to ensure real-world readiness.
- ✓ **Monitoring & Evaluation:** Continuous tracking of training activities, outcomes, and placement results.
- ✓ **Data-Driven Management:** Programme decisions backed by regular data analysis and reporting.
- ✓ **Placement & Livelihood Support:** Active post-training support to connect graduates with employment opportunities.
- ✓ **Technology-Enabled Delivery:** Digital tools integrated to enhance reach, efficiency, and learner experience.
- ✓ **Continuous Improvement:** Systematic feedback loops to refine programme design and maximise impact.

11 | SDG ALIGNMENT & THEORY OF CHANGE

SDG 4 Quality Education	SDG 5 Gender Equality	SDG 8 Decent Work & Economic Growth	SDG 10 Reduced Inequalities
-----------------------------------	---------------------------------	---	---------------------------------------

Theory of Change

Progress Path Foundation believes that providing access to quality skill development, industry-aligned training, and livelihood opportunities empowers individuals to become economically self-reliant and socially contributing members of their communities. By identifying skill gaps, delivering practical learning, facilitating certifications, and supporting employment pathways, the Foundation creates sustainable improvements in employability, income generation, and social inclusion.

MEL Framework

A robust Monitoring, Evaluation and Learning framework tracks all activities, beneficiary progress, certifications, and placement outcomes — enabling continuous programme refinement, accountability, and measurable social impact.

12 | GOVERNANCE & LEADERSHIP

Progress Path Foundation is governed by a committed Board of Directors that provides strategic direction, ensures institutional accountability, and upholds the highest standards of transparency and organisational integrity.

Mrs. Sarla Devi Director 10 years of leadership experience in social development	Mr. Virender Director 12 years of expertise in skill development and vocational training

15 | OUR PARTNERS

16 | LOOKING AHEAD: FY 2026–27

Building on the momentum of FY 2025–26, Progress Path Foundation enters the new financial year with renewed ambition and a clear strategic roadmap:

- Expand skill development initiatives across new geographies and underserved regions
- Strengthen women-centric livelihood and entrepreneurship programmes

- Promote digital, green, and future-ready skills aligned with emerging industry demands
 - Increase placement rates and entrepreneurship conversion among trained beneficiaries
 - Build deeper, long-term partnerships with corporates, government bodies, and international development agencies
- Enhance impact measurement systems and publish outcome-based evidence for stakeholder transparency

17 | ACKNOWLEDGEMENTS & CONTACT

We extend our deepest gratitude to our partners, donors, communities, trainers, volunteers, and every beneficiary for their trust, commitment, and collaboration. Your collective support continues to inspire us in our mission to create opportunities and transform lives.
